### **Carpe Careers: The Next Chapter**

02:00 PM - 03:00 PM EST

*Have you written a column (or many) for Carpe Careers? Are you interested in taking Carpe Careers into its next chapter? Join Carpe Careers co-chair Mabel Perez Oquendo and outgoing co-chair Katie Homar to learn what it is like behind the scenes of GCC's national platform for graduate and postdoctoral career development. We'll discuss the history of the column, present tips for exciting posts, and co-create a vision for its future. We will hold space for participants to discuss ideas for Carpe Careers' future as we search for our next co-chair.*
