How to Prepare for the GCC Conference Webinar

02:00 PM - 03:00 PM EST

Are you presenting at or planning to attend the GCC Conference? Join us for a webinar designed to help you make the most of your experience: "How to Prepare for the GCC Conference" on May 12 at 2 PM EST.

Hosted by the GCC PDC and MGS, this webinar will include:

Remarks from GCC President Jovana Milosavljevic Ardeljan and President-Elect Bekah Layton on best practices for attendees and how to maximize your conference engagement

A panel of previous GCC conference presenters sharing their experiences and advice for future presenters

A live Q&A

Featured Panelists:

Jessica M. Vélez, PhD — Senior Manager, Engagement, Community Building & Professional Development, Genetics Society of America

Steffen Blings, PhD — Director, Graduate Career Development, The University of Chicago

Peter S. Myers, PhD — Associate Director, Postdoctoral Education & Partnerships, Washington University in St. Louis

2026 GCC Mid-Career Conference

12:00 PM - 04:00 PM EST

The 2026 Graduate Career Consortium Mid-Career Conference brings together experienced career and professional development practitioners from across higher education to deepen expertise, exchange advanced practices, and address emerging challenges in the field. Designed for mid-career professionals, the conference emphasizes strategic leadership, program innovation, assessment, and institutional impact. Through interactive sessions, peer learning, and evidence-informed discussions, participants will refine their approaches to supporting graduate students and postdocs in a rapidly evolving career landscape.
